## Conditions

### 1. Repayment of loans:

- The loan shall be repaid in full on 31<sup>st</sup> October 2006
- The Camp for Climate Action may accept applications for early repayment of loans at its discretion – repayments may take up to one month from the date of receipt.
- Requests for early repayment should be made in writing to the Camp address. If early repayment is refused, reasons will be given in writing.
- Where only part of the amount outstanding under a Loan Certificate is being repaid, the camp shall issue to the lender a new Loan Certificate in respect of the principal amount outstanding to the lender.

2. Loans are unsecured. In the unlikely event that the Camp for Climate Action raises insufficient money to repay loans from income during the event, the organisers will endeavour to fundraise from other sources to repay loans. If the total owed has not been raised by 31<sup>st</sup> October 2006, the money raised by that date will be distributed among lenders in proportion to their total loan – e.g. if 90% of the total owed has been raised, a lender owed £100 will receive £90, one owed £500 will receive £450 etc.

3. Loans may be transferred by the lender to a third party provided this is confirmed in writing with the Camp for Climate Action.

4. The lender has the same right to attend meetings and participate in the decision-making of the Camp for Climate Action as anyone else – making a loan confers no additional rights.

**An alternative means of providing loans is to extend credit card facilities to the camp to hire or purchase necessary materials. If you wish to do this, please contact us for further information and conditions.**
